What's on

POPULAR Scottish artist Jamie Primrose creates a showcase of new oil paintings of Edinburgh, evocatively capturing two contrasting seasons,

from warm autumn tones to cool winter light. Paintings include sunlight

sparkling through the trees onto The Meadows (above), Bruntsfield Links and Inverleith Park. Tranquil reflections shimmer on Inverleith Pond and The Water of Leith, and the collection also offers vivid sunset skylines from Calton Hill and Arthur's Seat. Primrose layers his oils with translucent glazes, giving his work an ethereal quality.
